Attention Leanne Powell
CBD Profit Solutions Pty Ltd
PO Box 1202
CAPALABA 4157

We wish to express our appreciation for the advice and strategy you implemented to not only minimise our tax in a legal and effective manner, but also for assisting in the improvement of our cash flow position, increased asset protection and the strategy to assist us in achieving our overall financial and wealth goals.

At our first meeting with Leanne, we were so pleased that she thoroughly reviewed our financial position, our financial structuring and discussed with us the ownership of our private and business assets. We felt that someone finally looked at our business and personal finances holistically.

After working closely with the team at CBD Profit Solutions, they developed a strategy to help us achieve our financial goals. The strategy was explained to us in a way we understood, even though we could see that an in depth knowledge of income taxation, a capital gains tax exemption, business structuring, re-financing, asset protection and wealth strategies were all required. We did not understand the intricacies, but had peace of mind that the CBD Profit Solutions team would implement the strategy effectively and accurately.

We strongly recommend that anyone in business who feels that things just aren't right or that there must be a better way financially, get in touch with CBD Profit Solutions Pty Ltd.

Yours faithfully,

Warren and Merrilyn Vlaanderen
